PRACTICE EXPERIENCE

1999 – Present: Licensed Clinical Social Worker, Master Certified Coach, private practice, Danville, California (LCS # 14868)

Private practice as a psychotherapist and professional coach, integrating life coaching skills into working with adults with Attention Deficit Hyperactivity Disorder (ADHD) as well as entrepreneurs, musicians, parents and other creative types. Services provided in person, over the phone or via web camera to clients around the globe. Speaker on a variety of topics including stress management/life balance, conflict resolution, Gremlin-Taming®, parenting and ADHD.

2002 – Present: Director, The Gremlin-Taming® Institute, Dallas, Texas

Teach Taming Your Gremlin® teleclasses, workshops and presentations to professional coaches and psychotherapists, parents, children, teachers, and adults with ADHD. Work with founder to create programs and services.

1989 – 2002: Licensed Clinical Social Worker and Independent Contractor, The Amen Clinic for Behavioral Medicine, Inc., Fairfield, California

Provided psychotherapy, coaching and biofeedback for individuals, couples, families and groups. Performed initial evaluations and follow-up psychotherapy and/or coaching for adults with Attention Deficit Hyperactivity Disorder. Other specialty client issues included women in transition, spousal abuse, eating disorders, anxiety disorders and families with chronically ill children. Facilitated a support group for Hospice nurses in the local community hospital.

1987 – 1989: Licensed Independent Clinical Social Worker, Department of Pediatrics, University of Massachusetts Medical Center, Worcester, Massachusetts

Provided brief counseling and case management for families and children with chronic or terminal illnesses. Social work service coordinator for the following outpatient pediatric clinics: diabetes, arthritis, cardiology, neurology, HIV and well-baby. Developed and facilitated a support group for children with diabetes. Co-facilitated parent support groups for the neurology and cardiology clinics.

1987 – 1989: Director of Graduate Social Work Education for the Department of Social Work, University of Massachusetts Medical Center, Worcester, Massachusetts

Coordinated MSW student interns from local universities. Supervised MSW students from Boston University.

1988 – 1989: LICSW, Human Resource Institute, Worcester, Massachusetts

Provided individual counseling for adolescent girls from multi-problem families.

1984 – 1986: Psychiatric Social Worker, Aultman Hospital, Canton, Ohio

Graduate field placement and full-time employment. Provided brief counseling for individuals, couples and families in the inpatient psychiatric unit, intensive care unit, emergency services department, dialysis unit and outpatient oncology clinic. Supervised first-year medical students from the Northeastern University College of Medicine during their psychiatry rotation. Taught Stress Management classes to employees.

1986 – 1988: Medical Social Worker, Aultman Hospital, Canton, Ohio

Provided case management, brief counseling and crisis intervention in the inpatient and outpatient obstetrics and gynecology department. Patient issues included teen pregnancy, adoption, high-risk pregnancy and perinatal loss. Provided brief counseling and coordination of services to parents of premature and at-risk newborns in the Newborn intensive Care Unit. Wrote and received a grant from the local United Way to conduct a research project on parental anxiety in the NICU. Supervised an undergraduate student in Community Services from the University of Akron. Member of the Pain Management Team.

1986 – 1987: Licensed Social Worker, Psychological and Family Consultants, Canton, Ohio

Psychotherapy with women for marital challenges, PMS, infertility and transitional issues.

1982 – 1984: Medical Social Worker, Saint Thomas Hospital Medical Center, Akron, Ohio

Case management and discharge planning for patients on the medical/surgical and obstetrics floors. Brief counseling and crisis intervention in the outpatient OB/GYN clinics.

1981 – 1982: South Community Mental Health Center, Dayton, Ohio

Undergraduate field placement. Worked with area businesses to promote pre-retirement planning. Organized a two-day workshop for 100 mental health professionals. Planned and presented a six-week elementary school program on values clarification. Screened new clients. Edited agency newsletter.

1989 – 1992: Bureau of Drug Abuse, Dayton, Ohio

Provided information and referral services to clients in a methadone maintenance program. Coordinated medical records department.
